

Opt-Out Donor Policy

Our donors are very important to us, the children we serve and their families. Because of that and our value of personal privacy, in the rare event that a list of donors has been contacted AND given permission to share their information with a third party, an individual or individuals always have the option to opt-out of that list. That donor may contact our office by telephone, email or US Mail using the following contact information:

PHONE: 602-843-8281

EMAIL: cindy@asteppingstone.org

US MAIL:
